HOWEVER, YOU TWO ARE DIFFERENT.
IT'S BECAUSE HUMANS HAVE TWO CONTRADICTING SIDES TO THEIR HEART THEY HESITATE
IT ISN'T IN THE FORM OF A WEAPON NOR ABILITY IT'S FROM A HEART THAT LACKS HESITATION

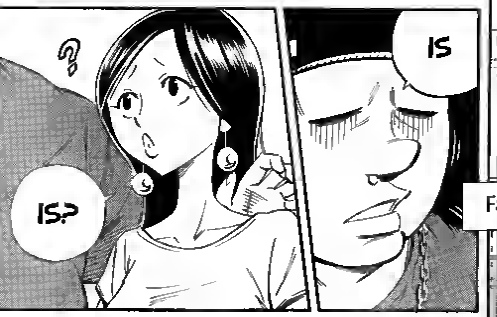
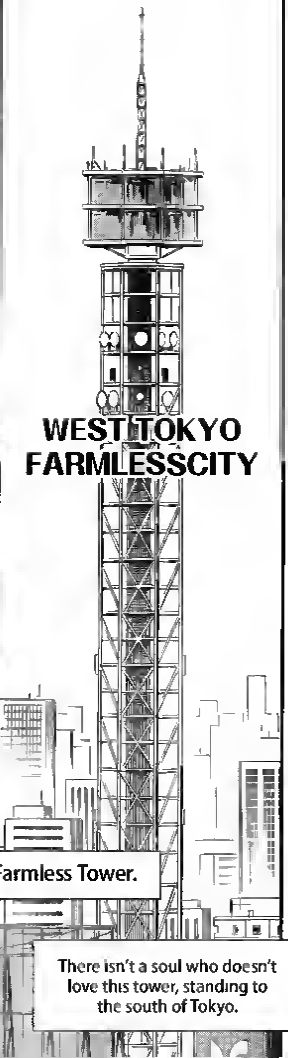
On holidays the observation deck is busy with couples and people bringing their families Telling a story that the town is nothing but peaceful

However, the time has finally arrived for reality to break this false impression of peace.



1000 years later.



Farmless Tower.

There isn't a soul who doesn't love this tower, standing to the south of Tokyo.

The "spawned" masked creature
Nooooooo!!!

shows no hesitation whatsoever as he completely destroys the observation deck.
ドゴォォォォォン!!
Self-Defense Force J-FORCE
EMERGENCY! THERE HAS BEEN A TERRORIST ATTACK AT FARMLESS TOWER!
SEND EVERYONE WE HAVE TO THE SCENE OF THE ATTACK ON THE DOUBLE! I REPEAT!
And then the reporters.
OTV
Riot Squad S.K.A.T.
The more people arrived to witness the destruction the bigger the masked creature's smile grew.

So begins his rampage.
!
BOMB!
One.
Two.
Three.
As if he were putting on a show.

His acting was crude to the point where he didn't get a single person's reaction.
However, they say a show that goes unnoticed
will inevitably be put to an end

POWER OF 'WISDOM,'
LION PUNCH.
CLANG!!

The boy's glove changed into a lion that blasted the masked creature into the next world.
Cleanse.
Through that one attack, the creature, as if a demon being touched by a saint, turned into dust and fell into pieces.

Not that that seemed like it was a problem.
The people continue to look, speechless.
Their small saviour, fluttering about in the sky, just destroyed a creature with his incredible power.
With ceramic white skin that looks like it'd break at the slightest touch.
Topped with red flaming hair and a pair of spectacular gloves.
Green eyes, full of sorrow, sparkling like the purest stream.

No matter the distance, the people that were watching
could not take their eyes off his beauty and overall divinity.

DEPENDING ON WHAT YOU SAY, THERE WILL BE CONSEQUENCES FOR WHAT HAS HAPPENED!
WHAT ARE YOU!?
YOU CAN START BY TELLING ME WHAT'S GOING ON HERE!
FU!
WHAT-
FU!
Pull out
As if relieved, the time for the boy to speak had arrived
One of the city's bravest men and commissioner of the Farmless Police, Dahlman

At that moment, member "K" of the S.K.A.T. team was shaking in a quiet rage.
For his beloved car, which defined his identity, was destroyed by that creature.
His most beloved weapon representing power and special vehicle that allowed him to overcome his weak mind and body -the very things he just barely got his hands on that represented him. Now represented nothing but a tragic image of what they once were.

HM?
AAARGH
Rage overflowed from his small mind and body thus he accidentally wasted a few rounds of ammo
IDI-
....!!!
BALLS LIKE THAT OF ARROWS ARE FLYING OUT OF THAT CYLINDER THING
OH, I GET IT. THAT'S THIS GENERATION'S WEAPONS.
AWESOME.

Filled with desire to show off his pure evil he copied their guns with his glove.

NOW BEHOLD AS I SHOW YOU MY "ATTACK ABILITY" IS SUPERIOR!!
